

Requisitos

```
graph LR; A[Requisitos] --> B[Projeto]; B --> C[Implementação]; C --> D[Testes]; D --> E[SISTEMA];
```

The diagram illustrates a linear sequence of four stages in the software development process, each contained within a light gray rectangular box with a black border. The stages are connected by black arrows pointing from left to right. The first stage is 'Requisitos', followed by 'Projeto', then 'Implementação', and finally 'Testes'. A thick black arrow points from the 'Testes' box to the final outcome, 'SISTEMA', which is written in a larger, bold, black font.

Projeto

Implementação
